RECEIVED FROM: Mr. Kenfield Bailey
Chief, Budget and Finance Division
Bureau of Mines, Department of Interior
Room 2505, Interior Building

SUBJECT: National Intelligence Survey Program

1. This will serve to correct our letter of 31 July 1950 relative to the same subject and with reference to the estimate of funds required by the petroleum section of the Bureau of Mines for the conduct of the National Intelligence Survey program during fiscal years 1951 and 1952 in conformance with correspondence to the Director of Central Intelligence from the Assistant Secretary of the Interior dated 24 July 1950.

2. The sum established as agreeable to this Agency for the fiscal year 1951 for the petroleum program should have been cited as [] rather than [] and it is requested that reimbursement billing via Standard Form 1030 not exceed a total of []

3. It is understood that requirements of the petroleum program for fiscal year 1952 will be [] and appropriate provisions will be included within this Agency's budget estimate for the period concerned.

4. With regard to petroleum responsibilities of the Bureau of Mines during fiscal year 1952, [] has advised this office that the general project may be described as "NIS Petroleum Program (62-C) and Supplement V". The underlined portion of the project title represents an addition to the program title as used in your Agency's correspondence which related to 1952 estimates.
